Kraft Foods R & D, Inc., the owner of the entire right, title and interest in and to above-captioned Application No. 10/763,457 ("the instant application"), and of the entire right, title, and interest in and to a copending Application, No. 10/763,534 (hereinafter "the second application"), hereby disclaims, except as provided below, the terminal part of any patent granted on the instant application that would extend beyond the expiration date of the full statutory term of any patent granted on the second application, and hereby agrees that any patent granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second application shall be commonly owned.
